

BCMD Values and Strategic Priority Goals 2010

Full Text:

Values and Strategic Priority Goals for the
Berry Creek Metropolitan District

Mission Statement

Operate the District on a pro-active yet prudent basis for the benefit of the property owners.

Objectives

- Operate the District with the highest fiscal and fiduciary standards attainable
- Manage the Community with a focus on enhancing aesthetics and lifestyle of the residents
- Intergovernmental participation with focus on District values and constituent desires
- Operate in a transparent and communicative fashion with constituents and SPOA

Values

- Financially prudent
- Community focused
- Enhance the Community
- Proactive on all fronts

Goals

- Develop five year strategic plan with focus on capital expenditures and operational efficiency
- Restructure and optimize the budget for 2011 and 2012 using 2010 as a baseline
- Coordinate with SPOA on communication and initiatives
- Establish statement of District functions for web publication
- Establish a Board position for dealing with other agencies with a focus on our residents' desires (Enhanced leverage with Governmental Entities)
- Evaluate accelerating the Beautification process with more interaction of Sonnenalp
- Evaluate with SPOA the investment to bury the power lines and expand the Community Center
- Conduct a survey in conjunction with SPOA
- Develop an electronic communication policy with SPOA for both boards

- Review website functions with SPOA and possible redesign of site
