

**SINGLETREE PROPERTY OWNERS' ASSOCIATION
RAIN COLLECTION BARRELS**

IMPORTANT INFORMATION

- All requests to install rain collection barrels shall be reviewed by the Design Review Committee.
- There is no charge for DRC review of rain collection barrels installation application.
- Rain barrels are allowed in Singletree under the following guidelines:
 - Rain barrels are containers with sealable lids, located above ground, used for the collection of precipitation from a downspout of a roof.
 - Rain barrels may be capable of storing no more than a total of one hundred ten (110) gallons in a maximum of two rain collection barrels.
 - There shall be a maximum of two rain barrels per home.
 - Duplex lots shall be required to submit a Duplex Owner Written Approval Letter.
 - Rain barrels shall be screened with shrubs or bushes.
 - The Design Review Committee shall review and approve the location and cladding of rain barrels on a lot.
 - No rain collection barrels shall be approved within a prescribed setback or easement.
- Email your complete application, including all submittal requirements, to Singletree's Architectural Consultant, John Perkins, at perk.jmparchitect@gmail.com.
- Singletree's Design Review Committee meets the first and third Thursday of every month. In order to be on the next meeting's agenda your complete application is due by Noon on the Thursday prior to the meeting.
